

## Refurbishment of ladies section washroom at Doncaster Town Moor Golf Club

The Doncaster Town Moor Golf Club, a historic and esteemed golf club, recognised the need to upgrade its facilities to provide a more comfortable and modern experience for its members. The ladies section washroom was notably outdated, with decor and amenities that had not been refreshed for several years.

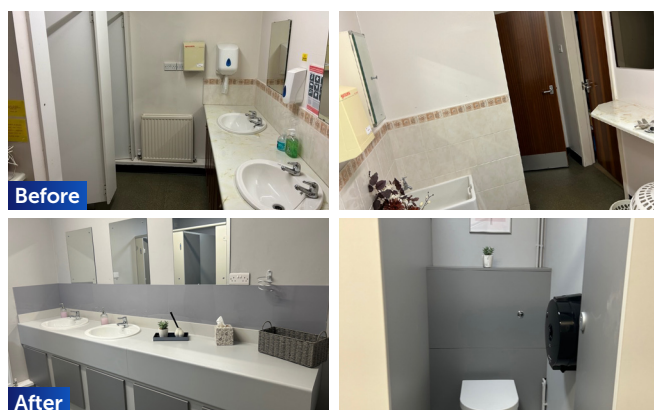

**Client:** Doncaster Town Moor Golf Club  
**Location:** Doncaster  
**Project Duration:** 2 Weeks

### Objectives

- **Aesthetic Enhancement:** Transform the outdated decor into a modern, inviting space.
- **Functional Improvement:** Upgrade all fixtures and fittings to ensure a more efficient and pleasant user experience.
- **Sustainability:** Implement energy-efficient lighting and water-saving fixtures.

### Scope of Work

- **Redecoration:** Removal of old wallpaper and paint. Application of fresh, modern paint colours to create a welcoming ambiance.
- **Toilet Cubicles:** Installation of new, high-quality toilet cubicles that offer greater privacy and comfort. Replacement of old cisterns with modern, water-saving alternatives.
- **Vanity Units:** Installation of sleek, contemporary vanity units with ample vanity space and easy-to-clean surfaces. Integration of modern sinks and taps that blend style with functionality.
- **Flooring:** Removal of old flooring and installation of new, durable, and slip-resistant flooring to enhance safety and aesthetic appeal.
- **Lighting:** Upgrade to LED lighting to improve energy efficiency and provide bright, even illumination.
- **Accessories:** Decoration with modern accessories, including mirrors, soap dispensers, and hand towel baskets, to complete the contemporary look.

### Results

- **Enhanced Member Experience:** Members have expressed high satisfaction with the modern, clean, and comfortable facilities.
- **Increased Usage:** There has been a noticeable increase in the use of the washroom, reflecting the positive reception of the improvements.
- **Sustainability:** The energy-efficient lighting and water-saving fixtures have contributed to reduced operational costs and a smaller environmental footprint.

The new ladies' washroom is absolutely fantastic! It's bright, modern, and so much more comfortable. It really enhances the overall experience at the club.
